THE JOSEPH REVOLUTION

**The Spiritual and Economic Empowerment
of the Emerging Global Church - by Hasan Fawaz, Ph.D.**

THE JOSEPH REVOLUTION is underway. In the midst of global chaos, confusion and conflict, God will use the Body of Christ in the 21st century to set this world in order. This is an ideal season for a divine revolution – **THE JOSEPH REVOLUTION** – that will transform the church and then impact the world.

Joseph, Jacob and Rachel’s oldest son, was a visionary and a dreamer who exercised political and economic dominion over Egypt. He did not teach from a pulpit; he reigned from the king’s palace and in the market place. In this dynamic study, Dr. Hasan Fawaz describes how Joseph typifies the church of the 21st century exercising dominion as she ushers in the Kingdom of God upon the earth. **THE JOSEPH REVOLUTION** is a must read for every kingdom-minded believer in the Body of Christ.
